ranging from £10 to £200, and amounting in all to £3780, to which were added 10 busts of the Queen, 7 bas-reliefs of *The Death of Boadicea*, 20 tazzas, 75 statuettes of *The Dancing Girl Reposing*, 322 proof impressions of *The Crucifixion*, 111 proof impressions of *Queen Philippa interceding for the Burgesses of Calais*, a statuette in alabaster of *The Dancing Girl*, and one in wax of *Michael and Satan*,—making in all 547 prizes. The highest, £200, was drawn by C. H. Woodward, of York Terrace, Peckham. One of the £100 prizes was drawn by Alexander Roberts, of New-York. We observe, also, that quite a number of Americans were among the fortunate members.

AFFAIRS OF THE ASSOCIATION.

PHILIP HONE, ESQ.

Since the last number of this journal was issued, the American Art-Union has lost one of its most constant and devoted friends, and the Committee of Management a valuable and distinguished member, in the death of Mr. Hone, which took place at his residence, in this city, on the 6th ultimo. Mr. Hone has been identified for a number of years with the interests of the Fine Arts in this community, and always cultivated them with much taste and liberality. He possessed several pictures of great value, among them Mr. Leslie's *Anne Page*, and Mr. Stuart Newton's *Dull Lecture*, and he had formed an extensive and interesting collection of medals, which we are glad to learn

will be preserved entire, notwithstanding the melancholy event we have announced.

The Committee of Management, at their meeting on Thursday, the 15th day of May, unanimously adopted the following preamble and resolutions:—

Whereas, it has been announced to this Committee that Philip Hone, Esq., one of its most highly respected and valuable members, has since its last meeting departed this life;

And whereas, it is desirable to place upon the records of this Committee, an expression of their deep regret for his decease, and their high esteem for his character and services:

Therefore, *Resolved*, That in the death of Mr. Hone, American art has lost one of its most intelligent and liberal patrons, and this association a generous and enlightened friend, whose hand and voice have always been ready to advance its interests and promote its success.

Resolved, That this Committee cherish a lively recollection of the valuable assistance which their lamented friend rendered them, in the performance of their official duties, and of the kindness and urbanity which characterized his intercourse with them on all occasions.

Resolved, That these resolutions and preamble be published in the Bulletin, and a copy of them respectfully transmitted to the family of Mr. Hone.

THE DISTRIBUTION OF THE ENGRAVINGS OF 1850.

The members of 1850 are informed that prints from the large engravings of *Anne Page*, *Slender and Shallow*, and copies of the first number of

The Gallery of American Art, containing the five engravings of *The Image Breaker*, *The Dream of Arcadia*, *The New Scholar*, *Dover Plains*, and *The Card Players*, will be delivered during the month of June, to those members whose certificates are numbered from No. 5001 to No. 7500. The particulars of future deliveries will be announced from time to time in the Bulletin. It may be well to state here, that, inasmuch as it is necessary to send the prints out of the city in packages of several copies wrapped together, on account of the immense cost and risk of dispatching them singly, it is impossible to adhere literally to the above rule. Subscriptions may have been taken in some places during every month in the year, and yet it is indispensable to send the engravings, to each of these places, in one package, from economical motives. The only plan the Committee can adopt in such cases, is to be governed by the average date of the subscriptions, and to forward to each city, town, and village its package according to the chronological place on the register, which the majority of its subscribers may occupy.

TO HONORARY SECRETARIES.

We regret to say that many of the Honorary Secretaries have omitted to report on the 1st of April, as requested by instructions of 1st of January. Our operations have become so extended that it is important for our interests that we should have frequent communications from our officers. It is trusted that those who have failed to attend to the request will report without delay.
